Our Mission Statement:

With Christ as our cornerstone and the Catholic faith as our foundation, St. John Paul II Catholic School educates the whole person.

Winter Break

Dear Families, Our last day of class is December 22nd. Our Winter Break this year is December 23rd -January 7th. Our school sessions resume on **Monday, January 8th**. Enjoy this break with your family and friends. Please keep the students reading at least 20 minutes every day

NWEA Winter Testing

Our NWEA test allows us to measure the students' academic progress during the school year. Our Winter NWEA testing sessions will take place from January 17th to January 19th. Put these important dates in your calendar! Thank you!

Bundle up!

Winter is finally here and our children should come to school with appropriate winter clothes. Gloves, winter hats, snow pants, scarves and coats are necessary to withstand the cold temperatures. If your child needs any items of winter clothing, please let us know so we can help you. Our students will go to recess outside the building every day unless the temperatures are below -10 degrees. Bundle up!

Be Respectful, Be Responsible and Be like Christ

Every day we close our morning announcements with this wonderful phrase. We would like that every student and every member of our school community put this phrase into practice all the time. Our school, our community and our world will be a better place if we all are respectful, responsible and we act like Christ. Merry Christmas!
